### TASTING NOTES

A mature wine that expresses the Albariño variety in all its splendor. Golden-yellow colour with very lively green highlights and it is very bright in the glass. On the nose it is surprising due to its delicate aromas, freshness and complexity. It is balanced on the palate, very lively with very pure fruity aromas. It displays silky characteristics and it is full-flavoured without losing its hint of freshness. Temperature of consumption 10-12°C.
